## Improves Turf Recovery Time

### USGA Rule 16-1C - Repair of Hole Plugs, Ball Marks and Other Damage

The player may repair an old hole plug or damage to the putting green caused by the impact of a ball, whether or not the player's ball lies on the putting green. If a ball or ball-marker is accidentally moved in the process of the repair, the ball or ball-marker must be replaced. There is no penalty provided the movement of the ball is directly attributable to the specific act of repairing an old hole plug or damage to the putting green caused by the impact of a ball.
